

REP-AIR

HEATING + COOLING

MAINTENANCE HOT WATER TANK

Member
Price:
\$13/month

Reg: \$21/month

Keep the Hot Water Flowing—Without Surprises

Your hot water tank is one of the hardest-working systems in your home. With regular maintenance, you can extend its life, improve its efficiency, and avoid unexpected cold showers or leaks.

Rep-Air's detailed maintenance service helps keep your tank in top shape—and your home protected from costly water damage.

What's Included

- Full system inspection for corrosion, rust, or wear
- Test temperature and pressure relief valve
- Check anode rod condition (if accessible)
- Inspect gas burner assembly or electrical elements
- Verify tank temperature and pressure settings
- Tighten fittings and check for leaks

Why It Matters

- Improve heating efficiency and water quality
- Catch small issues before they become emergencies
- Extend the usable lifespan of your tank
- Protect floors and walls from undetected leaks

Why Rep-Air?

1. We see what others overlook
2. All work is verified using professional, industry-specific tools and technology.
3. Local, certified HVAC pros with high standards
4. Transparent, no-pressure service
5. Trusted by families across Mission and the Lower Mainland

REP-AIR

HEATING + COOLING

About Us

Company History

At Rep-Air, we don't just fix HVAC and plumbing systems—we build long-term solutions that work better, last longer, and serve your home with real integrity. Founded by Justin McIntyre and Eddie Calder, two Red Seal-certified trades professionals with decades of combined experience, Rep-Air was built from the ground up to raise the standard in our industry. From Mission to the Lower Mainland, our team is driven by technical excellence, strong leadership, and a deep belief in doing things right—not just fast. Whether we're tuning your furnace or installing a complete home comfort system, our goal is the same: real results, no shortcuts, and customers for life.

Referral Program

Know someone ready for a new system? Send them to Rep-Air. When your referral purchases a system valued over \$10,000, you'll receive a \$500 gift card as our way of saying thanks. Whether it's a friend, family member, or neighbour, your referral helps us grow—and we believe that deserves more than just a thank you.

Rebates

Ask us about available FortisBC rebates—get up to \$50 back on select equipment! Rebates include: Furnace – \$50, Boiler – \$50, Heat Pump – \$50, & Tankless Water Heater – \$50. Subject to FortisBC eligibility and approval.

What Others Are Saying

"Justin was very informative with the products available and options to fix and/or replace my outdated furnace.. my Installer Colin was very communicative with the progress and able to answer any questions."

Anita S.

"I couldn't be more grateful and pleased with Rep Air's quality service. Justin was courteous and knowledgeable, and gave clear details about the Furnace and heat pump to be installed. His explanation regarding the Fortis rebate was clear and appreciated. Colin went above and beyond with the installation, patience and problem solving with some genius solutions. His professional workmanship along with Rob was excellent. Their daily spic and span cleanup was much appreciated. Thanks to the entire Rep-Air Team especially Chantelle and Trish for their boundless patience!! I would not hesitate to recommend Rep-Air to others."

Lynda S.
